New Council Assumes Duties; Appointments are Approved

Horning Gives Commissions To New Group

Mayor Gibbons Names Geo. B. Lee City Attorney

The Harrisburg city council that will guide the destinies of the city for the next four years assumed its duties at 2:16 p. m. Saturday, after the five members received their commissions from the retiring mayor, Ralph Horning Jr.

Taking office were Claud Gibbons, mayor; Don Williams, commissioner of finance; Charles R. Hine, commissioner of public health and safety; Sneed Jordan, commissioner of streets and public improvements; and Morris Darnell, commissioner of public property.

The retiring council, which met first, then turned over the reins to the new group, consisted of Ralph Horning Jr., mayor; Dr. G. R. Johnson, commissioner of finance; Henry C. Dempsey, commissioner of public health and safety; Carl Tuttle, commissioner of streets and public improvements; and B. E. May, commissioner of public property.

Horning speaks to group. The retiring council in its last official business approved the performance bond of Leon B. Stille of Marion, who will pave Sloan street from Main east to the highway and O'Gara street west from Granger to the cemetery; and approved a free lease for Girl Scouts for Lot 17, Block 2, of the Lake Harrisburg cabin site.

Mayor Horning then made a few remarks to the incoming group, declaring "it will be well worth the time and effort you put in on it."

And he added: "There are certain things you'll be able to do and certain things you cannot do because of limited funds. We've made mistakes and you will, too."

"We're turning over to you an administration that's in the black and also are turning over to you a large water supply."

After praising the city officials and employees with whom he had worked, Horning then gave the commissions of office to the new council members.

Approve Appointments
There was complete harmony in the formal organization of the council. Unanimously the four commissioners were named to the departments which they will head. The same applied when appointments were approved.

There was one change in appointments. Roy Ross Lane being made chief of police and William (Pat) Atkinson being retained as a patrolman and being made the

160-Acre Minnie Gates Farm Sells for \$110,500 at Auction

Half of Estate Is Left to Wolf Creek Cemetery

What is believed to be a record price per acre for Saline county farm land was paid Saturday at the public sale of the farm of the late Minnie Gates in Section 35 of Raleigh township.

In spirited bidding, the 160-acre farm went for \$110,500 to Dr. W. H. Walters of St. Louis, who is married to the former Miss Iona Mills, a niece of Mrs. Gates. This is just short of \$700 per acre.

And the high price will mean a lot to Wolf Creek cemetery at Eldorado, because Mrs. Gates' will bequeaths one-half of her estate—less \$1,000—for the benefit of the cemetery.

Atty. Charles W. Phillips of Ridgeway, counsel for the executor of the estate, T. Leo Dodd, said that there is one brick house, one frame house and two barns on the farm—and that the buyer of the farm also was buying the oil and gas rights underneath the 160 acres, which have not been leased.

Phillips said that four or five entered into the bidding until the price got up around \$85,000. Then it narrowed to two bidders and Dr. Walters was successful.

He said he understood the competition in the bidding was spurred by the oil and gas rights of Andy J. Gates, died June 12, 1954, and left probate in Saline county, bequeaths all but \$1,000 of one-half of her estate to the Wolf Creek cemetery and the \$1,000 to Bramlet cemetery in Raleigh township. The Wolf Creek funds, Mr. Dodd said, will be governed by the Wolf Creek Cemetery board.

The remaining one-half of her estate is divided among relatives.

Shawneetown Woman Dies In Auto Crash

Mrs. Norma Jean Jerrells is Killed; Driver is Held

A 26-year-old Shawneetown woman was killed early Sunday when the car in which she was riding left Route 13 between new and old Shawneetown.

Dead is Norma Jean Jerrells, daughter of Mr. and Mrs. Ellis Bartley of Shawneetown. Her body was taken to Wright funeral home.

Sherriff Millard Holloway said at Shawneetown today that the accident occurred at 1 a. m. Sunday on a curve about 2 miles west of old Shawneetown. No other car was involved in the crash, he said.

Driver of the automobile was Lawrence D. Pibbett, a soldier from Fort Campbell, Ky., whose home is in Nebraska, Holloway stated. The sheriff said that Pibbett, who was uninjured, is being held in the Gallatin county jail and that charges are expected to be filed against him today.

He said that the woman was killed outright, that she suffered a broken neck.

The auto, Holloway said, belonged to George Naugle, also a Fort Campbell soldier. The two had come to Shawneetown together and that Pibbett had borrowed the car while Naugle remained in New Shawneetown.

Besides her parents, Mrs. Jerrells is survived by a three-year-old daughter and a brother, Raymond Bartley.

Her funeral will be held at 2 p. m. Tuesday at the First Baptist church at Shawneetown with the pastor, the Rev. Dale Crockett, conducting the rites. Burial will be in Westwood cemetery.

Dennis McGehee to Address Historical Society Tuesday

Dennis McGehee will be the guest speaker at the regular monthly meeting of the Saline County Historical society. The meeting will be held in the lower rooms of the Mitchell-Carnegie library, in Harrisburg, at 7:30 p. m. Tuesday, May 3.

Mr. McGehee will talk on the "Values of Historical Background." He has spoken to the historical society on different occasions. Each talk, carefully prepared and excellently delivered, has been an inspiration to the members of the society.

Following Mr. McGehee's talk a technical film "Give Me Liberty" will be shown.

Miss Vickie Kasier, Eldorado Junior high school pupil, will talk on "Potts Hill and Tavern," an article which she wrote for the May issue of the Junior Historian.

Mrs. Lucy Foster is chairman of the social hour. Mrs. Geneva Altire, Mrs. Ruth Ward, and Mrs. Helen Adams are the other members of the committee.

Members and guests are extended a cordial invitation to attend the last of the regular meetings at the library until next October. The June, July, August, and September meetings are field meetings and will be held at different locations in Saline and joining counties.

Dr. H. D. Norris, 81, Dies at Marion

Dr. H. D. Norris, 81, who had been a doctor in Marion since 1903, died Monday at 6:45 a. m. in the Marion Memorial hospital.

The funeral will be Tuesday at 3 p. m. at the First Methodist church in Marion. The pastor, Rev. Carl E. Hearn, will officiate, and burial will be in the Rose Hill cemetery.

The body lies in state at the Wilson-Frick funeral home in Marion and will be taken to the church two hours prior to the funeral.

Gov't Forces Counter-Attack Rebels in Viet Nam; Collins, Premier Confer

SAIGON, Indochina (U.P.)—Government troops loyal to Premier Ngo Dinh Diem mounted a counter-attack today against die-hard rebel forces who brought new fighting to Viet Nam's bloody civil war.

The new battles crashed through this war-torn capital as political moves came with bewildering speed. The main fighting was in suburban Cholon, Saigon's twin city.

As the fighting raged, a villa in the district used as headquarters of the United States military mission was evacuated. American personnel were rushed to safety in the European quarter of Saigon.

Army headquarters announced that government troops had won an initial victory by occupying a Binh Xuyen-held island in the Chinese Arroyo after a four-hour fight. It was estimated that "dozens" were killed on both sides.

Collins Confers With Diem
Gen. J. Lawton Collins, President Eisenhower's special envoy to free Viet Nam, flew in from Washington with new United States plans to save this country from falling prey to the Communists in the north.

Collins saw Diem for half an hour this afternoon. Informal sources said Diem brought him up to date on the recent tumultuous events in the capital.

Malcolm MacDonald, Britain's trouble-shooting high commissioner for Southeast Asia, arrived from Singapore to make an on-the-spot assessment of the situation at London's request.

HTHS Students Receive State Music Ratings

Harrisburg Township high school music students received three superior ratings in the state music contest held Friday at Bradley university, Peoria.

Five excellent and three good ratings also were awarded HTHS music students.

Receiving superior ratings were Paula Reynolds, marimba solo, accompanied by Janet Tanner; Linda Rude, piano solo; and Carroll Clark, voice solo.

Excellent ratings were awarded to Dorothy Hanning, vocal solo; Jerry Bramlet, saxophone solo, accompanied by Linda Rude; the clarinet trio composed of Judy Godard, Jeanne Lewis and John Klein; the flute trio of Barbara Dunn, Treva Kaye, Humphrey and Norma McDonald, with Diane Mathis accompanist; the mixed vocal ensemble, Barbara Dunn, Dorothy Hanning, Dorothy Schneider, Ann Endsley, John Baker, Dick Childress, Dick Fritts and Fred Kinnaman.

Receiving good ratings were Bill Brantley, drum solo; Fred Kinnaman, vocal solo and Bill Bottomley, trumpet solo, with Linda Rude accompanist.

John Schork and M. C. Cothran of the HTHS music department and Mrs. Carl Rude, Mrs. J. B. Clark and Mrs. J. A. Bottomley accompanied the students.

Jaycees to Meet On Tuesday Nights

Harrisburg Jaycees are asked to remember that the regular meeting night has been changed to Tuesday, effective this week. Jaycee president "Pusher" Lynch said today.

The change was voted at last week's meeting because several dues-paying members of the organization are unable to attend meetings held on Wednesday night. Meeting time will still remain at 6:30, on the balcony at Schierle's, Lynch said.

Public Invited To Kiwanis Box Supper Tuesday

The Harrisburg Kiwanis club will hold its first annual "old-fashioned" box supper Tuesday evening at the Masonic temple. The affair, to which the public is invited, will begin at 6:30 p. m. and there will be prizes, singing and other special entertainment.

Each lady will bring a box to be auctioned off to the highest bidder. A prize will be awarded to the woman bringing the prettiest box and a prize will be awarded for the box bringing the highest bid. Former Mayor Ralph Horning Jr. will be auctioneer.

The club is seeking a good attendance to the affair as proceeds will go to the Kiwanis Underprivileged Child fund, which the local club uses in its activities to help children.

Sells Property

Lloyd L. Parker on Friday sold the property he owned at 1100 South Granger street, now occupied by the James Bolen family, to David Simmons of Carmi, an investigator and adjuster for the Country Mutual Casualty Co., who will move to Harrisburg when the property is available.

Auto Overturns In 110-Mile-An-Hour Chase

Official's Wife, Second Bandit in Car are Injured

KAMPSVILLE, Ill. (U.P.)—One of two bandits and a bank official held as a hostage were killed Sunday night in a 110-mile-an-hour auto chase after foiling of a bank robbery plot.

Two bandits, Thomas Underwood, about 26, Washington Park, Ill., and Clifford Hubbard, 26, Collinsville, had forced their way into the home of Mr. and Mrs. Harry Waldheuser about 9:30 p. m. CST. The armed bandits tried to force Waldheuser, Kampsville bank cashier, to accompany them to the Kampsville bank and open the vault.

When their plot was discovered and a posse surrounded the home, the bandits demanded a getaway car. They took the Waldheusers in the car and fled north of Ill. 100 where Hubbard, who was driving failed to make a turn 2½ miles north of here.

Wife in Critical Condition
The car hit a culvert and Underwood and Waldheuser, 63, were killed. Calhoun County Sheriff Paul Aderton said there was one, and possibly two, bullet holes in Waldheuser's body and an autopsy was ordered to determine if bullets fired by the bandits, pursuers or the injured suffered in the wreck caused the bank cashier's death.

Mrs. Waldheuser was in critical condition and Hubbard was injured seriously. Aderton said. Both were in Boyd Memorial Hospital at Carrollton.

Aderton said Hubbard told him the car in which the bandits fled was going at least 110 miles per hour when it hit the culvert.

After the gunmen forced their way into the Waldheuser home, a neighbor woman saw lights in the home go off and investigated. She was almost taken prisoner herself but fled.

The neighbor woman, Mrs. Jesse Campbell, wife of Kampsville's mayor, went to the door of the Waldheuser home and was greeted by a strange man.

The frightened mayor's wife ran back to her home and called the town board of this small southern Illinois community.

The alarm spread throughout the town and within minutes the aroused residents had surrounded the Waldheuser home.

Mayor Campbell, acting as spokesman for the citizens, demanded the release of Waldheuser and his wife.

The mayor promised the two men safe conduct out of town if they would release the Waldheusers, but one of the men shouted, "We'll kill them if you all don't clear out."

"If you'll move away, no one will be hurt," he shouted. "We've gone too far to pull off now, we're going to take them with us as protection."

Take Up Chase
The gunmen demanded that the townspeople supply them with a getaway car.

Restaurant owner Charles Macaulley supplied the kidnappers with a 1955 Buick. The gunmen then emerged from the house, forcing Mr. and Mrs. Waldheuser ahead of them.

As the car sped off, someone in the crowd fired a gun. One of the gunmen leaned out and fired back.

City policemen and residents took up the chase after the getaway car until it ended with the fatal crash.

Aderton said Hubbard told him both he and Underwood had been taken to the hospital and that he had been sent to Menard Penitentiary twice.

Aderton said an autopsy "definitely shows" injuries suffered by Waldheuser in the car wreck caused his immediate death. The sheriff said only one bullet was found in the body and it must have been fired by a member of the posse and not by either bandit.

Abandon Grover Abney Oil Test

Donald L. Foote's Grover Abney No. 1, NWE NW NW, 8-9-6e (Harrisburg township), which is a short distance north of the city of Harrisburg, has been plugged and abandoned, it was learned today.

Abundance of salt water was said to be the reason the test was abandoned.

The rig, it was learned, has been taken to the Lloyd H. Melton location north of Muddy.

Child Dies in Freak Accident

BELLEVEILLE, Ill. (U.P.)—A 13-month-old child died in a freak accident stemming from a fatal heart attack suffered by his grandfather.

Frank DeFillippi, 68, was playing with the child, Michael Wobbe, in the back yard of his home Sunday afternoon. He suddenly suffered a fatal heart attack, and fell off a bench, smothering the youngster.

RUPTURE

Expert Coming Here Again.

R. K. SHALLENBERGER

Nationally-known expert will personally demonstrate his method without charge at Harrisburg Hotel, Harrisburg, Wednesday, May 4th, from 10 a. m. to 2 p. m.

Mr. Shallenberger says his method contracts the opening in remarkably short time on the average case, regardless of the size or location of the rupture, and no matter how much you lift or strain, and puts you back working the same day as efficient as before you were ruptured.

The Shallenberger Rupture Shield has no leg strap. It's waterproof, sanitary, practically indestructible, yet can be worn while bathing. Each shield is skillfully molded and fitted to the parts under heat which gives a perfect fit and satisfaction.

Large and difficult ruptures following operations especially solicited.

Do not overlook this opportunity if you want gratifying results. Mailing address, Angola, Ind.

NOTICE OF SHERIFF'S SALE

By virtue of one certain execution issued out of the office of the Clerk of the Circuit Court of Saline County, Illinois, and to me directed on the 6th day of April, A. D. 1955, wherein I am commanded to make the sum of One Thousand and Four Hundred Thirty-two and 38/100 (\$1,432.38) Dollars, together with interest thereon from the date thereof, to-wit: July 16, A. D. 1954, as by law provided, and also the cost of said suit in the case of Arcady Farms Milling Company, a corporation, Plaintiff, versus Elmus Kent, Defendant, out of the lands, tenements, goods and chattels of the said Elmus Kent, I have levied upon the following described real estate, all being and lying in the County of Saline and State of Illinois, to-wit:

The North half of the Southwest quarter of Section Two, except a strip of land described as follows: Commencing at the Southwest corner of said North half of the Southwest quarter, for a point of beginning, running North 42° 30' to the center of the public road, thence in a southeasterly direction 47° 45' to a point 211 feet east of the place of beginning, thence west 211 feet to the place of beginning; Also a part of the Northeast Southeast of Section Three bounded as follows: Commencing at the northeast corner of said Northeast Southeast as a place of beginning and run west 320 feet, thence south 290 feet, thence in a southeasterly direction 68° 25' to a point in the east line of said quarter section 892 feet south of the place of beginning, thence north along the land line 892 feet to the place of beginning, all the foregoing land being situated in Township Eight South, Range Five East of the Third Principal Meridian, except the coal, oil and gas underlying the surface together with the right to mine and remove the same as set forth in a certain deed recorded in Book 210 at pages 65 and 66 in the office of the Recorder of Saline County, Illinois.

Therefore, under said execution, I shall expose for sale at the North corner of the Courthouse in the City of Harrisburg, Illinois, on the 16th day of May, A. D. 1955, at the hour of 10:00 o'clock in the forenoon, at public vendue, all the right, title and interest of said Defendant Elmus Kent in and to the above described property of said Elmus Kent in order to satisfy said judgment rendered as aforesaid.

Dated this 7th day of April, A. D. 1955.

WILLIAM T. BARRETT
Sheriff of Saline County,
Illinois.

Great Idea

The Daily Register, Harrisburg, Illinois

HOLLYWOOD—(NEA)— Exclusively Yours: Liberace's medics have ordered him to take it easy on his late April Las Vegas engagement and before starting his Warner movie, "Sincerely Yours." He gave them something to worry about when he collapsed in New York and had to bow out of three shows. Big reason for medical concern is previous bouts with pneumonia and his more recent physical breakdown.

Not in the Script: Marlon Brando fuffed a couple of lines the first day of "Guns and Dolls" with Director Joe Mankiewicz explaining to Sam Goldwyn, "He's nervous."

Joyce Holden, once a golden hope at U.I., has been earning greenstuff by working as a fashion model around town. She's up for a new television series, however. "Betty Grable—Why She's Quitting" is a current magazine headline which Betty is calling "ridiculous" on the set of "How to Succeed in Business Without Really Knowing." "Very Popular," says she has no plans to be very, very retired.

THE WINNET: Don Porter's daughter owns 250 hillbilly records and explains to one and all: "I like hillbilly music and besides when they're worn out they sound just as good as when they're new."

This is Hollywood, Mrs. Jones: Janet and Tony Curtis decided a live TV appearance by a film star rates a cocktail party. So they're tossing one for Rory Calhoun and his "bravery" after his Climax Show appearance.

Television is on the trail of Greta Garbo again. Harry Ackerman, CBS-TV prexy in Hollywood, has a date with "contact" to discuss the possibility of her home-screen acting debut. She gave him a "maybe."

PORTIONS of Tita Purdom's eyebrow-lifting confessions about her marriage to Edmund have popped up in a U.S. gossip magazine. They were serialized in a British newspaper. Dick Moore, the Rice U. grad star who felled Terry Moore in Houston, Texas, is in line for an MGM acting contract. He's a ringer for Tab Hunter.

The Dunes, another new hotel opening in Vegas (in May) will offer Jane Russell a bundle to glad-hand the guests on opening night. . . . Stewart Granger's hair has been trimmed so short for "Bhowani Junction" he could pass for one of the Crew Cuts.

Cairo Mayor Keeps Campaign Promise

CAIRO, Ill. (AP)—The new mayor of Cairo has kept a campaign promise.

When Dr. Paul Baur was campaigning for mayor he promised he would make "sweeping changes" in Cairo's police department if elected.

The promise was fulfilled Sunday when the new City Council met and fired the entire 10-man Cairo police force.

The new Cairo police chief is Elmer Millikan, a former railroad detective. He replaced Earl Shepherd Jr., who had been on the Cairo police force 10 years and had been police chief for six years.

Boy, 3, Learns His Lesson About Driving Daddy's Car

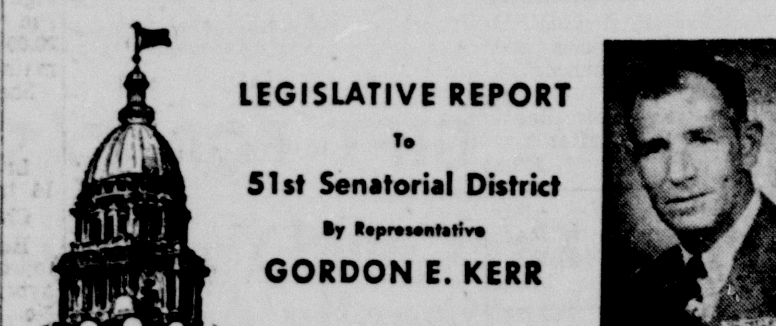

ST. PAUL, Minn. (AP)—Three-year-old Joe Sommers promised "not to touch daddy's car any more."

Joe's brother and sister, aged 8 and 6, were playing in the auto's rear seat when Joe climbed into the driver's seat and released the emergency brake.

As the car rolled towards the edge of a 150-foot cliff overlooking the Mississippi River his brother and sister jumped out.

The car landed in the river. Joe was found scratched and bruised on a ledge eight feet below the lip of the cliff.

The Daily Register 25c a week

Going into the last half of the session of the General Assembly it is certain to be the most controversial in many years. In this report I will attempt to answer some of the questions you have asked in regard to proposed legislation.

I have received a number of letters from Saline county in regard to the increase in the state sales tax. Because of the need of more revenue for schools it is a most difficult decision to make for most legislators, whether or not to support the measure. It is also certain that some action must be taken to provide more revenue for the schools. On my side of the isle there are two groups. One group believes the sales tax is the answer. The other group thinks by passing a USE tax, extending the present sales tax to cover up loopholes, cut state expense and with the passage of a revenue article enough money can be raised to take care of the schools. There are many who believe a sales tax put more burden on the person who is less able to pay. Also, along the border of the state hundreds of Illinois citizens will go to other states and save the sales tax. It is expected the tax increase will pass with border line legislators voting against the proposal.

H. B. 98 provides that no person shall be refused employment because of age, and no handicapped person shall be refused employment because of the handicap, providing they are physically able to perform the work for which hired. This bill has been introduced and is now in the Committee on Industry and Labor Relations. As predicted last fall a bill will be thrown in the hopper that will make the Chicago Branch of the University of Illinois a permanent branch. It seems more money must

be spent there. There will only be so much money for higher education and with this extra appropriation, it is the opinion that funds must be taken from other colleges and our Southern university at Carbondale.

The Korean War bonus has cleared the Veterans committee, but some amendments are expected in the House after a careful study by the sponsors. The people of Illinois will vote on the bonus next fall if it is cleared through the General Assembly. It will be paid for by taxes on race tracks and liquor. It is patterned after the War II bonus.

Reapportionment is still the number one problem in the General Assembly. Many legislators who supported the measure last fall, now see the mistake that has been made. Time is proving that Sen. Jones, Reps. Verhines, Powell and Kerr along with the people of the 51st district were right in opposing the passage of the amendment. It is almost now certain we will keep the present district plus Hardin, Gallatin, and Williamson counties.

The Judicial Amendment will be up in the Executive committee this week, where it will have strong opposition. At present the amendment provides for the selection of judges by certain groups. Unless the Bar association agrees to an amendment, providing that the judges shall run for election the same as other public officials, it seems sure of defeat.

The General Assembly is running far behind the session of two years ago. Very little major legislation has been passed, and it seems to the writer that both parties are not united on certain legislation. Next year being an election year most legislators will be more concerned with the opinions of the people in their district.

Wood River Wins Herrin Relays; Eldorado Third

Harrisburg Scores 11 Points; First In Freshman Relay

Wood River won the annual Herrin Relays held Saturday, with East St. Louis second and Eldorado third, with a total of 28 1-3 points, third.

Harrisburg scored 11 points by taking first in the freshman relay and fifth in the discus.

The winning relay team, which finished with a time of 1:43.3, consisted of Bill Yates, Jerry Hicks, Donald Biggs and Bob Clark.

Tony Beal was fifth in the discus throw with a heave of 131-2.

Eldorado's fine showing was made possible by a second, two third place finishes and a fifth in relays and a second, fourth and fifth in individual events.

Lovellette finished second in the discus and fourth in the shot put and fourth and fifth in the high jump.

The distance medley team of Wood, Dardeen, Don Gwaltney and Willis was second; the eight-lap relay team, composed of Wood, Watson, Willis and Stroke, was third; Dodd, Dempsey, Lane and Sutton made up the four-lap relay that finished third and the same boys ran the 880-yard varsity relay for a fifth place finish.

Coach Gene Bland will take his HTHS freshman-sophomore squad to Herrin Tuesday for a South Seven open-sport meet which starts at 5 p. m. The varsity squad will compete at McLeansboro Wednesday afternoon in a triangular meet with Carmi the third team and will participate in the annual South Seven meet at West Frankfort Friday, the meet starting at 6 p. m.

Eldorado, unless an additional meet can be scheduled, will be idle from regular competition until May 11, when the Eagles will go to Carmi for a dual meet.

The district meet at Carbondale is listed for Friday, May 13.

Little Wins Tourney with 13-Stroke Lead

LAS VEGAS, Nev. (U.P.)—It is possible that Gene Littler isn't as much better than the rest of the current field of golfing greats as the records indicate, but he'll do until something better comes along.

The quiet man from Palm Springs, Calif., is only 25 years old and still hasn't won such major events as the National Open or the PGA championships—but he proved here again Sunday that he is ready to step into the shoes of Bob Jones, Ben Hogan and Byron Nelson.

Sure, Littler won the \$37,500 Tournament of Champions—one of the most difficult feats in golf. But the story is in how he turned the trick.

Wins By Big Margin

He whipped the star-packed field by 13 strokes—the largest margin ever recorded in a major tournament since Hogan won the \$15,000 Portland, Ore., Open in 1945, by 14.

In this field were Sam Snead, Dr. Cary Middlecoff, Bob Toski, National Open champion Ed Furgol and National PGA champion Chick Harbert. But they couldn't come close to the blond bomber from California.

"The 72 holes I played in this tournament probably were the greatest I've ever had," said Gene today. "The windblowing was a major hazard. Still, I can't imagine what happened to the others in the field."

Littler said he plans to go from here to Ft. Worth, Tex., for the Colonial Tournament starting Thursday.

"I'll play in a couple of other tournaments, then come to San Francisco to get ready for the open. I'm hoping to win that one this year after coming so close last year."

Played It Easy

Littler played it easy Sunday. He shot an even-par 72 after taking a 10-stroke lead on the field at the end of 54 holes.

He had a 72-hole total of 280 blows—eight strokes under par for the distance. First prize was \$10,000 in silver dollars the biggest single jackpot the young star ever has collected.

There was a three-way tie for second place, at 293, between Pete Cooper, Birmingham, Mich., Jerry Barber, Los Angeles, and Bob Toski, Livingston, N. J. They each collected \$2,566.66—about as much as they usually get for winning a tournament.

Ed Furgol, St. Louis, Billy Maxwell, Odessa, Tex., and Dr. Cary Middlecoff, Kiamasha Lake, N. Y., finished in a three-way tie for fifth at 296 and each picked up \$1,326.66. There was another three-way tie at 298 for eighth between Doug Ford, Kiamasha Lake, Harbert and young Bud Holscher, each winning \$1,240.

Pre-tournament favorite Sam Snead and former National Open champion Julius Boros, each with 298, came next and collected \$190 each.

waived jury trial and pleaded guilty here Saturday to the murder of his wife, Elizabeth.

Legion Drops 10-Inning Tilt To Carterville

In their first outing of the season, the Harrisburg Legion baseball team dropped a ten inning game to the Carterville Stars on the latter's home diamond by an 11 to 10 score.

Both teams hit hard with the Stars coming up with 14 safe blows while the Legion racked 12 safe hits.

The Stars got into the scoring part of the game early as they tallied three times in their first stand at the plate. They added two more in the fourth to build up a 5 to 0 lead before the Legion got the hang of things and came through with three runs in the fifth stanza and again with a like number of runs in the sixth.

Two more markers in the seventh added to the Legion's lead and the Stars whittled this to 8-6 by scoring one in their half of the same inning.

Another pair of tallies in the eighth pulled the losers out four runs in front but Carterville also scored twice in their half of the inning and while the Legion failed to score in the ninth, the Stars punched across two runs to tie up the game in their half of the ninth.

The winners scored their winning margin after one was down in the 10th when Farley singled with the sacks loaded.

Frank Logsdon with three for five and four runs batted in paced the Legion attack on a trio of Star hurlers. Gaffey, Hay, and Dallas had two safeties each with Griffiths, McNew and McNeil getting the others. J. Bollinger and Seawright led the Stars' attack with three blows each.

"Buzz" Kennedy started on the hill for the Legion and pitched five full innings before turning the pitching chore to Bill McNew. McNew finished and was tagged with the loss. Dick Romanosky was behind the plate all the way for the Legion. Drew, Long and White took turns pitching for the winners with White being credited with the win. Farley was the Stars' receiver all the way.

All Legion players are reminded that a practice session is scheduled for Saturday afternoon and are asked to be present if possible. Next Sunday the local club journeys to Mt. Carmel to meet the Moose team of that city.

Archie Moore Meets Valdes in Bout Tonight

LAS VEGAS (U.P.)—Light heavyweight champion Archie Moore and huge Nino Valdes of Cuba are slated for a 15-round nontitle fight at twilight today to determine which shall get a September shot at the heavyweight crown or demand a congressional investigation.

Promoter Jack Kearns hopes for 14,000 fans and a gate of \$150,000 when Moore, 38, and Valdes, 30, square away in Cushman Field at 9:30 p. m. EDT. However, advance sales indicated about \$70,000 and \$75,000.

It will not be televised in any fashion.

Moore and Valdes fought once before. Ancient Archie won a decision over awkward Nino in their 10-rounder at St. Louis on March 11, 1953. That's one of the reasons he was favored at 7-1-2 to 5 today despite the fact that Valdes now is generally rated the world's top heavyweight contender.

Europe leads in coal production, accounting for approximately 45 per cent of the world output; the United States mines approximately 34 per cent, and the remainder is evenly divided between the USSR and the rest of the world.

Stars Defeat Mt. Carmel Moose, 17-9

The Harrisburg Stars smashed out 15 hits, including six for extra bases, Sunday afternoon to down the Mt. Carmel Moose, 17-9. The game was played on the town park baseball diamond.

Big guns for the Stars were Ray Sisk, Carl Harrison and Don Wallace. The Stars collected their 17 runs on 15 hits, nine stolen bases and eight walks. Mt. Carmel got nine runs on 12 hits and six passes.

Roy Hughes started on the mound for Harrisburg, but was touched for five runs on three hits and three walks in the first three innings and then Don Wallace, Wallace, hurried the rest of the way, getting credit for the victory. He was touched for nine hits, walked three and had nine strikeouts. Cowger was behind the plate for the Stars.

Wallace cracked out three hits in four tries, followed by Sisk's three for five and Harrison's two for four. Others in the hitting column were Ken Nolen two, Cowger, Zeigler, Shewmake and Smith one each.

Tate was the losing pitcher for Mt. Carmel, and also had the longest hit for the losers, a homer with a mate on base.

Next Sunday the Stars will travel to Carterville.

The Stars manager today said the club wanted to thank the fans for their fine support yesterday in its first game of the season.

Bob Feller Hurls His 12th One-Hit Victory; Herb Score Follows With 16 Strikeouts in 2 to 1 Win

Antonelli Pitches 16-Inning Tilt Against Cincinnati

The major leagues' long-suffering hurlers turned back the clock Sunday with the season's most brilliant mound performance to celebrate the 35th anniversary of the classic pitching duel of 'em all.

Bob Feller and Herb Score gave 26,595 Cleveland fans the day's top thrill with a pair of dazzling performances as the Indians downed the Boston Red Sox, 2-0 and 2-1.

First, the 36-year-old Feller tossed the 12th one-hitter of his fabulous career. Then, Score, who was only four years old when Feller pitched his first one-hitter in 1938, struck out a season's high of 16 batters and threatened Feller's all-time record of 18 strikeouts in one contest.

That Wasn't All But that wasn't all. Johnny Antonelli went 16 brilliant innings to give the New York Giants a 2-1 verdict over the Cincinnati Redlegs; Bob Turley turned in a sizzling four-hitter as the New York Yankees scored a 6-1 win to snap the Detroit Tigers' seven-game winning streak and Connie Kline flipped a seven-hitter as the Pittsburgh Pirates downed the St. Louis Cardinals, 7-0. The Cards won the first game of the doubleheader, 4-3.

All in all, it was a fitting celebration for the 25th anniversary of the famous 26-inning, 1-1 pitching duel between Leon Cadore of Brooklyn and Joe Oeschger of Boston on May 1, 1920.

Feller, who holds the modern records of three no-hitters and a dozen one-hitters, pitched a no-hitter for 6 1-3 innings before catcher Sammy White singled cleanly to center field. White's hit came after Cleveland catcher Jim Hegan couldn't hold a potential third strike foul tip on a 2-2 pitch. Only four Red Sox reached first base safely as Feller gained his first 1955 victory and the 263rd of his career.

Score Electrifies Crowd The crowd still was buzzing over Feller's brilliant game when Score electrified it by striking out nine Red Sox in the first three innings. After five frames, the 21-year-old southpaw had struck out 12 batters and needed "only" six more to equal Feller's mark set on Oct. 2, 1938. He failed to get them but finished the game with a four-hitter and his second major league triumph.

Antonelli out-lasted five Cincinnati pitchers, striking out 11 Redlegs and walking only five in a four-hour and 13-minute test of endurance. The strong southpaw finally got the run he needed for victory on 16th-inning singles by Whitely Lockman, Don Mueller and pinch hitter Bill Taylor. The second game of the scheduled doubleheader was postponed because of a local curfew.

Turley, who pitched a one-hitter in his previous outing, yielded only four singles and struck out six Tigers as the Yankees moved into a three-way tie for second place behind the Indians. Turley, whose record now is 4-0, also put the Yankees in front to stay with a double that broke a 1-1 deadlock in the fifth inning.

Kline Wins First Kline, a 23-year old right hander from Calverly, Pa., won his first big league game behind a 10-hit attack that included George Freese's inside the park grand slam homer. Kline struck out only one batter but did not walk any. The Cardinals won the opener with the aid of 10 walks.

Ransom Jackson's single with the bases filled in the ninth inning gave the Chicago Cubs an 8-7 victory over the Philadelphia Phillies and the Bruins led, 4-2, in the last of the ninth when the second game was suspended because of the Philadelphia Sunday curfew. It will be completed tonight, in the other National league game, pinch-hitter George Shuba's eighth-inning single gave the Brooklyn Dodgers a 5-4 decision over the Milwaukee Braves.

The first large labor organization in America was the Noble Order of the Knights of Labor, the direct ancestor of the American Federation of Labor.

Farm families devote just about the same percentage of their money expenditures to the purchase of food as do non-farm families.

The Kansas City Athletics made it five wins in their last six games with a 16-10 decision over the Washington Senators, who lost their sixth straight decision and the Baltimore Orioles and Chicago White Sox split a doubleheader in other American league games. The Orioles won the opener, 9-8, and the White Sox the second game, 6-3.

Nationalists Attack U. S. Foreign Policy

TAIPEI, Formosa (AP) — Chinese Nationalist newspapers, in the bitterest attacks on U. S. foreign policy in many years, accused the United States today of "welshing" on its promises.

The papers also expressed strong suspicions about the stationing of U. S. troops on Formosa and called it a move that would favor the Chinese Communists.

The English language China News said that if the United States officially announces talks with Red China "the morale of the free Chinese will slump to a new low that no American base or Marine division could very well offset."

"Although it was not much contended here that the United States should keep its foreign policy flexible in pact with the changing times, yet the trend of events seems to show it would be better off to be a bitter enemy of Uncle Sam than to be a faithful ally," it said.

The China Post said there was "apprehension" that the stationing of American troops on Formosa "would be more of a political gesture to get a cease-fire from the enemy rather than a military measure to bolster up free China's defenses."

Senate Committee Approves Funds for Devil's Kitchen Dam

WASHINGTON—The Senate Appropriations committee in executive session today approved funds for the completion of Devil's Kitchen Dam, Kenneth J. Gray, congressman from the 25th Illinois district, announced.

The committee appropriated one million dollars to be spent in the fiscal year 1956. Cost of the project will run approximately two and a half million dollars.

"This money is included in the U. S. Interior bill and is expected to clear the senate floor this week," Cong. Gray stated. "Due to the Interior bill having cleared the house before I received authorization for the completion of the dam, the appropriation was not added in the house at that time and it will be necessary that the bill go to a house-senate conference committee."

"I do not anticipate any trouble having the million dollars added in by the house conferees," he added. "Therefore, it would now appear that the 15-year-old project will be started soon."

"I have requested the army engineers to do the actual construction and \$85,000 will be needed for drawing up work plans. Actual construction should begin around the first part of next year."

Nuclear Blast Again Postponed

LAS VEGAS, Nev. (AP) — "Operation Cue," the nuclear detonation designed to demonstrate defenses of American cities against atomic attack, was postponed for the seventh straight time today by unfavorable weather conditions.

Hopes of setting the 40 kiloton device off in its tower a few blocks north of Survival Town on Yucca Flat today were dashed Sunday night when meteorologists found conditions were "not acceptable," presumably because of adverse wind and clouds.

Another weather evaluation session was scheduled at Mercury headquarters of the Nevada Atomic Proving Grounds, at 1:30 p. m. EDT, but a spokesman warned in advance that "it does not look favorable for firing Tuesday morning."

The shot originally was scheduled for last Tuesday but has been repeatedly postponed.

Highway Dep't Begins Spring Cleaning Job

SPRINGFIELD, Ill. — Probably the biggest spring cleaning job in Illinois has been started by the state Division of Highways.

Between now and late May, maintenance crews will clear the 12,000-mile primary road system of about 18,000 tons of litter, most of it discarded by motorists during the preceding year.

Henry Diers, engineer of maintenance who supervises the annual clean-up operation, says it requires a full month's activity by a field force of 3,000 men and 700 pickup trucks. Increasing volume of disposable containers provides additional tons of trash to be tossed out car windows. Diers estimates the cost of removing the accumulated debris at approximately \$280,000.

On an average, Illinois highway litterbugs manage to jettison about 1 1/2 tons of cans, bottles, candy and ice cream wrappers per mile, according to Diers. This figure increases tenfold, however, on main traveled roads outside metropolitan centers.

Disposal of animals killed by motor vehicle traveling State highways creates an extra task for maintenance crews during the spring season. The death rate approximates 700 per day, ranging in size from gophers to farm livestock.

The field crews turn out for the spring clean-up shortly after the windup of their annual battle to keep the primary system open and free of snow and ice during the winter.

Before weed mowing is started along highways—May 30, the field forces will give the roads a re-check for litter removal.

A recent innovation now being tried in several other states to accelerate highway trash collection is a huge vacuum cleaner attachment skid-mounted on a truck. Illinois highway authorities are keeping informed on the performance of the new machine and may add it to their equipment if it proves practicable.

To Avoid Limiting Enrollments at SIU for One Year

CARBONDALE, Ill. — Southern Illinois university will accept the 1000 additional students expected next fall by tightening academic requirements, putting off some campus improvements and halting the growth of several university programs, it was announced today.

John Page Wham, president of the SIU board of trustees, said Southern would not have to restrict student enrollments for at least one year if the legislature approves Gov. William Stratton's latest financial recommendations.

The plans outlined by SIU officials to avoid limiting enrollments calls for the transfer of \$1,350,000 from the capital improvements budget proposed by the governor to the operating expenses budget.

This would postpone many repairs and rehabilitation on buildings and grounds for the next biennium. Secondly, more rigid policies regarding students on scholastic probation are being developed.

With the budget adjusted to \$14,677,426, by the latest addition of Gov. Stratton and by transfer of capital funds, offerings on adult education and extension will be held steady at their present levels, and they will be limited to communities where sizable groups are available for classes. The program of the University School and the summer session will also be stabilized for the next two years, it was reported.

Southern's enrollment has increased 52 percent in the past two years. An estimated 2000 additional enrollees in the next biennium would bring the number of resident students to 6500 or an increase of 114 percent in four years.

New City Council Members Assume Duties

(Continued from Page One)

assistant chief of police. Mayor Gibbons made his appointments first, naming George B. Lee the city attorney and Dr. Harold Brown the health physician.

Commissioner Williams named Olive Patterson the city clerk and Bill Williams the city treasurer.

Change in Appointment

Hine then preceded his appointments with remarks in which he stated that technical difficulties had arisen since he said that Lowell Langford would be his chief of police and that it was necessary to make a change. He said that since making his appointment he had been informed a city officer must live within the boundaries of the city.

Then he named Lane his chief, Atkinson his assistant chief, and Tom Gram, John A. Dunn, Ebert May and Earl Dabney his patrolmen. He also named L. R. Martin the fire chief, Lawrence Logsdon assistant chief and Wallace Feazel the third fireman.

Commissioner Jordan named George Rees street superintendent and George Sheldon, William Owen, John Cain and Arthur Hinton Jr. his maintenance men.

Commissioner Darnell named Ural Johnson cemetery sexton and Clyde Miller city hall custodian.

Explains Statute

Regarding the change in the Hine appointment of Langford, City Attorney George B. Lee explained yesterday that the Illinois statutes provide that no person may be appointed or elected an officer of a city unless that person is an elector (legal voter) and has resided within the boundaries of the city for at least one year. He stated the Illinois Supreme Court, in a case arising in West Frankfort, ruled that a police officer is considered a city officer under the provisions of the statute, since police officers are required to take an oath of office and fill bond.

Atty. Lee did not so state, but it might be assumed that all employees of the city would not come within the statute, since some of them are not required to take an oath of office or fill bond, and might be termed "employees" instead of "officers" of the city.

The council will continue to meet on the first and third Tuesdays of the month, at 5:30 p. m.

Faith in Vaccine Unshaken After Second Death

By United Press

A second child died of infantile paralysis after receiving a shot of Salk vaccine, but public confidence in the revolutionary polio killer appeared to be unshaken today.

Mass inoculations of first and second graders across the nation continued even though 35 youngsters have come down with polio after receiving shots.

In Washington, meanwhile, the President's National Polio Advisory Committee held its first meeting to draft quotas and priorities for distribution of the precious vaccine.

The latest Salk-inoculated child to die was 7-year-old Janet Lee

Kineaid of Moscow, Idaho. Janet Lee received a shot on April 18 or 19 and was rushed to St. Luke's Hospital at Spokane, Wash., after she became ill. Only Saturday she was reported in good condition with "slight" paralysis in one shoulder. But she died Sunday.

Two Idaho Deaths
The other polio fatality was also an Idaho child. She was Susan Pierce, 7, of Pocatello, who died last week.

Both of the children had received shots of vaccine prepared by the Cutter Laboratories of Berkeley, Calif. Practically all of the 35 polio-stricken children were among 500,000 inoculated with Cutter vaccine and a temporary ban has been imposed on the lab's product.

Seventeen of the afflicted youngsters are in California, where the Cutter vaccine was most widely used, but Idaho appeared to be getting the most serious cases.

An Air National Guard plane flew an iron lung from Boise to Lewiston, Idaho, for 7-year-old

Bonny Gale Pound. The girl, who received her polio shot April 19, was reported in critical condition.

One third of the average American family budget goes into the three categories of food, liquor and tobacco, says a forthcoming study of the Twentieth Century Fund.
